

Our puppies are carefully planned and cared for as part of our family until we have matched them with just the right loving family environment. Puppies remain in our care until the proper match has been made.

Pictures are updated as the puppies develop. All of our puppies are placed into pet/companion homes unless breeding rights are purchased.

Puppies are [CKC registered](#), up to date on vaccinations, wormed, vet checked, and a 12 month health guarantee.

Families begin making puppy selections in the order in which deposits are received. No puppy is held without a deposit of 300.00. The remainder is due when picking up puppy in the form of cash or cashier's check, PayPal, or credit card swiped on our phone.

If shipping, price must be paid in full before shipping on an approved airline. Travel crate and health certificate included with airline shipping for 300.00 to 400.00 depending on distance.

If you would like to consider adopting one of our puppies please contact us for additional information and puppy availability.

Use contact link and send an email to us.

We do accept deposits in advance for those families that have chosen available puppy. Please note deposits are Non-refundable but are exchangeable for another future litter. Visitors are allowed at 6 weeks of age after first shots are given. Visitors must not have been at another breeder's home before visiting ours to reduce the chance of illness spread to puppies.

before visiting ours to reduce the chance of illness spread to puppies.

Every attempt has been made to ensure puppy is well adjusted including daily socialization with adults and children. We have 2 nieces and 1 nephew who always visit puppies and we have a baby daughter. We have other dogs as well. All live in the house and are treated like family because they are family.

Puppy Contract Agreement

Total purchase price of said puppy is _____. Born on _____ to Ginger and Monty, F1b mini golden doodles from Danielle's Doodles.

One year health guarantee against genetic defects that are life threatening and/or cause death. Vet records must be submitted. Puppy must be seen by a vet within 4 days of purchase. Puppy must be given shots, flea and heartworm preventative as requested by your vet. Dog must not be allowed to become obese. A new puppy will be given at the breeder's time schedule if puppy has a life threatening genetic defect that causes death or severe illness in the first year. This does not include manageable diseases or diseases later in life. This does not include worms or Giardia which can be picked up as soon as you take puppy off property. Vet must give proof of genetic defect in writing. We have the right to examine puppy with our own vet. Disposal of puppy beforehand voids warranty. No cash refunds. If vet claims neglect or poor treatment no guarantee or replacement puppy will be given. Vet must have all shot records for the first year.

I, _____ will give puppy nutritious food for the first year. I will care for puppy properly and never neglect, abuse or ignore needs of puppy. I will not leave puppy outside in extreme conditions. I will not breed puppy without full CKC registration breeding rights given by the seller.

I understand that under no circumstances am I to surrender said puppy to a pound or shelter, or dispose of puppy/dog in any way. If I decide to no longer keep puppy/dog, I will give Danielle Working first option to take possession of and try to place dog/puppy before giving or selling him/her to a third party. Any breach of this contract will cause the guarantee to become null and void.

Seller agrees puppy will be in good health upon leaving the premises and offers advice anytime. Puppy will have first shots at 6 weeks and be vet checked. Limited CKC puppy application is included. Full registration is an extra fee of _____.
